

Sponsor Monumental Impact

Invest in Local Makers, Innovators & Entrepreneurs

Your sponsorship helps provide affordable access to equipment, mentorship, internships, robotics programs, entrepreneurship, and hands-on learning opportunities for high school students, college students, adults, and senior adults throughout the community. *All sponsorship levels and benefits are for a one-year term.*

Optional Discounted Membership Benefit

*Gold, Platinum and Benefactor sponsors may choose to extend a **50% discounted Maker Membership** to the number of individuals included at their sponsorship level. The sponsor identifies each recipient by name, and Monumental Impact sends that individual a payment link with the discount applied. **The membership benefit is provided to the designated individual, not to the sponsoring organization.***

The discounted membership benefit is optional and may be declined. If accepted, Monumental Impact will provide the sponsor with a good-faith estimate of the value of the benefit for charitable contribution and Enterprise Zone contribution purposes.
