Free Raffle Giveaway Participant Rules

6th Annual MITEE Gobble Squabble
Saturday, November 21, 2026 | Bear Creek Elementary School

FREE TO ENTER • AGES 13+ • ONE TICKET PER PERSON

Who can participate

Each individual age 13 or older may receive one free raffle ticket. Multiple registrations, ticket types, or event roles do not provide additional entries. These rules apply to attendees, volunteers, competitive robotics participants, and expo team members.

No purchase, donation, or newsletter signup is required. Registration requests first name, last name, and email address, and offers an optional donation and optional newsletter signup. You may decline both. Donating or subscribing does not improve your chance of winning.

Register and collect your ticket

1. Register through givebutter.com/MITEE-Gobble-Squabble-2026. Select Attend. Compete. Support., then the Raffle Giveaway ticket option. Request one ticket for each eligible person. If you already have an event ticket, ask the check-in team to verify it before registering again.

2. Bring your emailed Givebutter QR tickets to Raffle Giveaway Check-In. All individuals in your party must be present to receive their physical raffle tickets. Tickets cannot be collected for absent individuals. Staff will check in each individual ticket before issuing one physical raffle ticket per person.

3. Place the entry portion of your physical ticket in the shared raffle bin and keep the matching stub. Your Givebutter QR ticket is for check-in; your physical raffle ticket is your drawing entry. If you cannot locate your QR ticket, ask the check-in team for help. You may need to show your ID (school ID or driver’s license) to help the team find your ticket.

Drawing and claiming a prize

The drawing will take place during the final 30 minutes of the Maker & Community Expo. All participant entries go into one shared bin. A concealed prize slip is drawn at random from a separate bin first, followed by a participant ticket to determine the winner. Organizers may reverse this order and may invite the individual whose ticket is drawn to randomly select a concealed prize slip from the giveaway bin. Drawn participant tickets and prize slips are removed from their bins.

You must be present to win and show your matching physical ticket stub to claim your prize. Listen for your ticket number and respond promptly. Ask the check-in team for the drawing location and response window. Unclaimed prizes are subject to the redraw procedure announced at the event.
